

IVY CIRCLE DEUTSCHLAND

BERLIN

RHEIN-MAIN

MUNICH

Dear IVY Circle Members,

the IVY Circle Germany began in the Rhein-Main- and Berlin area. Now, we are starting the Munich Chapter. Currently, we already have the support of alumni from Cambridge, Chicago-Booth, Columbia, Cornell, Princeton, Wharton and Yale. And hopefully soon Dartmouth, Harvard and the MIT will join.

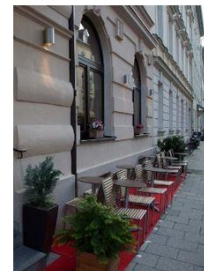

The IVY Circle Munich starts as a “Stammtisch” once a quarter giving the participants the opportunity to deepen existing contacts and get to know new folks with similar background. I am convinced that over a beer or a good glass of wine alumni from different schools will not just get new insights in business but also have the opportunity to gain new friends. Depending upon the community events over and above the “Stammtisch” can (and will) take place – e.g. visits of cultural events, project presentations, leisure time activities and the like.
